A telephonic status conference was conducted this morning to clarify the Plaintiff's intentions regarding the continued progress of this case, to wit, whether he intended to stand on his remaining claims against certain defendants or file an amended complaint.

Plaintiff indicated his desire to amend his previous claims via the amended complaint docketed at ECF No. 86.

The Court indicated that it would vacate its prior order of dismissal and reinstate the Defendants who have been sued in the Amended Complaint. That order will be filed separately.

Finally, upon inquiry by the Plaintiff, the Court explained that engaging in a period of discovery is premature at this stage of the litigation.
